JOHN RODERICK DUMAOG SECUYA

SENIOR AI CREATIVE SPECIALIST

AI VIDEO EDITOR | AI CONTENT PRODUCER | DIRECT-RESPONSE CREATIVE

Whatsapp+63 977 055 9761 | johnsecuya18@gmail.com | Discord: yuan04723

Senior AI Creative Specialist with 2 years of experience creating AI-powered advertisements, video sales letters, realistic UGC, cinematic drama ads, podcast ads, song ads, and animated marketing content for e-commerce, beauty, fashion, and health and wellness brands. Experienced in advanced prompt engineering, AI image and video generation, character consistency, voice integration, lip sync, and complete production workflows from script to final edit.

Specialized in combining direct-response storytelling with realistic AI visuals for Meta, TikTok, and YouTube Shorts. Experienced in English and Latin American Spanish content production, with a supplement video reaching 2 million views on Instagram and cinematic drama creatives used in paid advertising campaigns.

PROFESSIONAL EXPERIENCE

Freelance | 2024 – Present

Senior AI Creative Specialist | AI Content Producer

- Produce AI-generated advertisements for e-commerce, beauty, fashion, skincare, and health and wellness brands.
- Create realistic AI UGC, VSLs, podcast ads, cinematic dramas, song ads, and animated product creatives.
- Produced a supplement video that reached 2 million views on Instagram.
- Created cinematic drama ad creatives used in paid advertising campaigns.
- Develop photorealistic characters and maintain identity, wardrobe, environment, and product consistency across scenes.
- Produce English and Latin American Spanish content with AI voices, expressive character performances, and synchronized dialogue.
- Create product demonstrations using bottle, packaging, and applicator references to guide accurate product handling.
- Build reusable master prompt libraries for different visual styles, production tasks, and ad formats.
- Manage production from script breakdown and reference creation through video generation, editing, sound, captions, and final delivery.
- Develop alternate hooks and revise creatives based on client feedback and campaign requirements.
